Softball Field Dedication Rites Tonight

County's 150 New Teachers To Hold Session Here

Campbell Grammar School will be host to 150 new teachers in county schools Saturday, September 17, when the group attends an orientation session there. Heading the list of speakers will be County Superintendent of Schools O. S. Hubbard who will introduce the central staff of supervisors, coordinators and directors.

Speakers will be Mrs. Leslie Wilson, president of the Sixth District Parent-Teacher Association; Mr. Vance Lee, president Santa Clara County Teachers' Association; Mrs. Elizabeth Singletary, county librarian; Dr. Glenn H. Baird of the county health department; Barret Patton, Ramona Fleeson and Bernice Rose, special supervisors in audio-visual, art and music departments.

After these talks, the new teachers will be divided into sections composed of primary, intermediate and upper grade teachers.

After lunching in the school cafeteria, the teachers will attend meetings by grades with the following general supervisors in charge: Botilda Hanson, kindergarten and first grade; Helen Moffitt, second grade; Grace De Groot, third grade; Lola F. Gordon, fourth grade; Mrs. Bernice Saveker, fifth grade; Mrs. Virginia Karstedt, sixth grade; James Van Fossenn, seventh grade, and Mrs. Emma Morrison, eighth grade.

Furniture, Photo, Yardage Shops Open This Month

Opening of the new store building at 28, 30, and 32 E. Campbell Avenue, owned by Frank Greco of Los Gatos, is expected to take place September 29. Three shops, furniture, yardage, and photo, will occupy the building which is being constructed by Percy Da Mant of Palo Alto. The building will be of and stucco glass front.

Hubert's Maple Room will be located at 28 E. Campbell Avenue, operated by co-owners Edward Hubert and Mrs. Anna Cicchetti, who also have Hubert's Home Furnishings, 26 E. Campbell Avenue. The store will feature an exclusive line of maple and French Provincial furniture, and free interior decorating service by Mrs. Cicchetti.

Melvin K. Cotton will have his yardage store at 32 E. Campbell Avenue, and will carry a line of yardage goods, patterns, sheets, pillow cases, drapes, bedspreads and other domestic items. His partner will be Sam Simons of Campbell, now associated with Cotton at Mel Cotton's, The Bargain Store, 568 W. Santa Clara Street, San Jose. Cotton promises an excellent merchandise selection at low, competitive prices.

A branch of Leiter Photo Studio of San Jose will occupy the center shop, at 30 E. Campbell Avenue. Mrs. Ella Leiter will own the shop which will be operated by trained assistants.

Hubert's Maple Room, with an 18-foot frontage, will have 1250 square feet of floor space. The other two stores, each with 25-foot frontage, will have floor areas of 1600 square feet each.

Pioneer Club Needs Donations

The Pioneer Club, composed of elderly men in Campbell, has obtained a good location for its meeting place, with a horseshoe court and a club room that will need some repairs, Mrs. Clara Baldwin, secretary-treasurer pro-tem, announces.

"The expense will be comparatively small and we think that the people of the town will be glad to subscribe a small amount. In fact, a couple of the businessmen have already done so," she continued. "The men, themselves, will do the necessary work, and they are anxious to begin repairs on Monday, September 12, if possible.

"If you wish to have a share in this splendid project — anything from one dollar to five— will you please, right now, call up Clara Baldwin, Campbell 2359."

Mrs. Baldwin has led the move to provide a small clubhouse or shelter, plus horseshoe courts for the elderly men of the community.

Buyers Responsive to Promotion

Buy-In-Campbell Campaign Drawing Good Customer-Merchant Response

Local Merchants' Buy in Campbell campaign is drawing a heavy share of favorable response from the customers, many of whom have complimented the enterprising group of local businessmen on the move to develop the local trade area.

The number of participating merchants has grown to an estimated 50 businessmen, all of whom have, or plan to, purchase tickets to distribute to their customers, Carl Field ticket committee chairman, states.

Distribution of tickets to customers of these merchants began on September 6 and will continue until close of the drive December 22, when a new Plymouth Special DeLuxe four-door sedan will be awarded a Campbell shopper. The automobile is being obtained through cooperation of Spotswood Motor Sales, Los Gatos.

Buy in Campbell committee members feel that Campbell shoppers, through the favorable response during the opening week of the campaign, are exhibiting their belief in the future of the community. In turn the merchants promise continuous policies of friendly cooperation, stocks to meet the customers' needs, and will endeavor to provide the best at the lowest possible prices. Residents can save time and money by shopping in Campbell.

Accident Victim Still In Hospital

Mrs. William C. Bryant, who, with her husband, was injured last Friday morning in an accident at First and Rincon Avenues, is still a patient at O'Connor Hospital. Mrs. Bryant suffered back injuries, and further x-rays have been ordered by attending physicians.

Bosses' Night Next On Jaycee Fall Calendar

"Bosses Night," will be the feature of the next meeting of Campbell Junior Chamber of Commerce, Wednesday, September 21, at 7:30 p.m. The stag dinner will be held at the Casanova Club on Almaden. Each member will invite his boss to the gathering. Kenneth Roberts, president, will be in charge.

At last Wednesday's dinner and business session, also held at the Casanova Club, members discussed plans for a membership drive which will start October 1. Members of the campaign committee will meet tonight at Roberts' home. The group includes Don Gracier, chairman; Charles Livingston, Tom Boyle and Joe Anello.

Next Wednesday night the board of directors and the Christmas program committee will gather for a special session at the home of Ray Harris, Casey Road and Arnold Way. Christmas committee members are Tom Boyle, chairman, Dick Barham, Bill Hall and Joe Bloom.

Representatives of the Jaycees who plan to attend the State Board meeting this weekend in Stockton are Monte Koch, secretary; Roberts, and others who wish to attend.

JAMES G. RELFE, PIONEER RANCHER, DIED LAST NIGHT

James G. Relfe, 90, pioneer Californian who crossed the plains from Missouri to California in a covered wagon when he was a boy, died late last night at Doctor's Hospital, San Jose. He had been ill for over six years. He had made his home in Campbell for 21 years, and lived at 99 N. Central Avenue.

Funeral services will be conducted at 11 a.m. Monday from the Rutherford Funeral Home on Winchester Road, Campbell. The Rev. Lawrence J. Osborne will officiate. Services will under auspices of True Fellowship Lodge 238, IOOF, of Santa Clara. Interment will be at Santa Clara City Cemetery.

A native of New Caledonia, Missouri, where he was born in 1858, Mr. Relfe came to California 75 years ago. For many years he operated a ranch near Lawrence Station, between Santa Clara and Sunnyvale. He came to Campbell following his retirement.

Mr. Relfe was the husband of the late Lucy Relfe who passed away six years ago. He was the father of Mrs. Lydia Jarvis of Campbell and San Francisco; Mrs. Annie Ehret, the late Finley R. Relfe, Edward C. Relfe, James T. Relfe, William F. Relfe, and Mrs. Virginia Anderson, and the grandfather of Relfe Ehret, secretary-treasurer of the Santa Clara Stove Company, Campbell, and King Ehret, president of the Oakland Stove Company.

ABRASIONS

Lee Stears, 40, of San Jose suffered injuries and abrasions August 31 in an accident on San Jose-Los Gatos Road, near Cambrian School. He was treated at Emergency Aid Station and lated was transferred to Community Service Hospital.

C of C Directors Will Study Local Parking Situation

A special meeting of the Campbell Chamber of Commerce board of directors has been called for 8 p.m., next Wendesday, September 14, at which the principal topic of discussion is expected to be Campbell's serious parking problem. The board members will meet at the chamber office, 273 E. Campbell Avenue.

The group will discuss ways and means of alleviating parking congestion and double parking on Campbell Avenue and Winchester Road, Forrest Reese, secretary, said today.

As a result of the Campbell Press editorial of August 19 in which it was suggested that merchants and business area employes park off the main street, several residents have addressed letters to Fourth District Supervisor Joseph McKinnon requesting aid in solving the parking problem.

Many merchants have already asked their employes to park on side streets, and leave the main street parking area for convenience of customers. Although this action has relieved the situation to some extent, customers are still faced with parking difficulties and have, in many instances, been forced to patronize less congested shopping areas outside of town.

Proposals have been made that the town petition the County Board of Supervisors to establish two-hour limited parking on the main streets.

BPW Will Present Lighted Field To New Baseball Commission Spokesman

Campbell Business and Professinonal Women will write a successful finis to their five-month arduous task of lighting the softball field at the Campbell Grammar School when they turn over the completed job to a newly-established seven-man Baseball Commission in opening ceremonies tonight at the field. It is hoped that a large crowd will be on hand to witness the two scheduled games and the dedication. The public is invited.

During a between the games ceremony at the field, Mrs. Gwendolyn Steindorf, BPW president, will make the presentation to Lee Anderson, representing the grammar school board of trustees. She will be assisted by Mrs. Mary Grey, director of the BPW project and member of the fact-finding committee which carried out the lighting installation with funds raised by the BPW through individual, business and club donations and a softball carnival held in July. Total amount raised to date is $2,504.93, some $496 dollars short of the $3000 goal. Further donations are still sought to cover cost of a loud speaker system to be installed at the field for convenience of spectators. A borrowed loud speaker will be used tonight.

At last night's meeting of the school board, seven persons were selected and will be asked to serve on the Baseball Commision. Letters are in the mail to these seven, District Superintendent William C. Henley stated this morning. Those asked to serve as commissioners are Tony Bakich, temporary chairman who will be requested to call the new group's first meeting; Mrs. Mary Grey, chairman of the BPW committee which led the drive; Homer Hyde of the Campbell Water Company; Fred Jones Sr. of Jones Chevron Service; William Maderis, market owner; Neal Royer, grammar school physical education instructor, and Herald Adams, Campbell Post Office mail carrier.

During the school board meeting, members congratulated the "BPW members and other individuals and groups for doing a good and rapid job."

Ceremonies will begin tonight at 7 o'clock with a game between the Campbell Junior IOOF and San Tomas Boy's Club. After the intermission program, there will be a second game between Kopper Kettle and the Campbell All Stars.

Although the announcer's booth at the rear of the field is yet to be finished, the fact-finding committee at its meeting Wednesday night decided to open the field tonight, in hopes that a few more games will be played in the next few weeks of the season and to create interest in wide use of the field next year. Volunteers hope to install doors and windows in the booth this weekend.

The committee, consisting of Mrs. Grey, Tony Bakich, Leo Parks, Kenneth Grey, Gene Hodges and Bud Bachman, prepared a list of 11 candidates for the baseball Commission, from which the Grammar School board of trustees was to select the members who will, after tonight have full charge of the field. The commission, to be responsible to the trustees, will draw up field policies, arrange the game schedules, fees, rentals and costs per game.

Campbell Business and Professional Women began their drive last April to raise funds for installation of the lighting system, a project which they believed to be a definite need in the youth recreation program for the community.

Lights were first tested Tuesday night when local teams held practice play. They were from the American Legion, Odd Fellows, Maderis Market and Kopper Kettle.

Request For Theater Permit Is Withdrawn

Application of Paul Schaeffer for a traffic permit to conduct a drive-in theater on the southeast corner of Union and Camden Avenues was withdrawn by letter to the County Planning Commission Wednesday. It is understood that Schaeffer, president of Schaeffer Lands, Inc., proposes a conventional indoor theater instead, although he could not be reached this week for comment.

Withdrawal of the drive-in theater application in no way affects use of the rest of the area now being developed as a shopping center.

No testimony was taken at the Planning Commission meeting this week on petition of G. K. Schrader for reclassification of property on the east corner of San Jose-Los Gatos Road and Union Avenue. This was the first public hearing on the Schrader-C. S. Hocking request for extension of commercial zone at the intersection.

Approval of the planners was given application of Ben B. Kliever for a permit to add a covered porch to a non-conforming dwelling on the east side of San Jose-Los Gatos Road and Union Avenue.

Low Cost Self Government Objective Of Newly Formed Citizen Committee

Campbell can have community self-government without burdening its residents with high taxes, a nucleus of 10 local residents resolved Friday night at a meeting whose purpose was to formulate plans and program for eventual incorporation of Campbell. The group gathered at the home of Jack N. Marsh, 441 Maple Avenue, at Marsh's invitation. The San Jose High School social science instructor had sent invitations to 40 residents whom he believed favored incorporation. Many of those unable to attend phoned to express interest in the movement and to lend their support.

A tentative steering committee was chosen at the session, and its members are A. E. Brydon, Henry D. Baylor, LBen Howard, Marsh, Earl C. Buck, Walter R. Silberbauer, Dr. Robert Wade and Mrs. Hazel Beatty, according to Marsh.

First project of the group will be to obtain facts about incorporation and make them available to Campbell residents. The group stressed the point that it seeks "only a framework of city government to provide the bare essentials. Campbell cannot set up a municipal government and provide its people with all the elaborate services of an established metropolis, but we are interested in incorporation to have a clean, protected community, providing the essentials such as clean streets and protection, both fire and police. Later, when Campbell is able to bear the burden, the elaborate trappings of municipalities can be added."

During the next two weeks the tentative steering committee will meet with city councils of Millbrae and Capiola, both recently incorporated communities, to learn how incorporation was achieved and how the two new community governments are working out.

EXPANDABLE

The steering committee was set up on a tentative basis in order that changes in organization of the Citizens Committee for Local Self-Government may be made as more residents join the group. The organization's slogan is "A Clean, Protected Community." Marsh emphasized that the organization must first build up its membership, establish various necessary committees, obtain the facts on incorporation, and survey territories within the Campbell High School district to learn whether residents of these areas are amenable to incorporation on a bare minimum self-government basis.

A speakers' bureau will be established, and members of the committee will address local organizations, in an endeavor to lay the true facts before all. After the information has been made available to all, funds will be sought and actual steps will be taken to place the incorporation measure on the ballot. Marsh said the committees will build precinct organizations for the campaign, with each precinct group responsible for calling on all voters in its district to explain purpose and facts of the move.

All Campbell residents interested in working on committees for the organization or in working to incorporate are invited by Marsh to call him at Campbell 2538. He emphasized that he had no ideas concerning starting of the incorporation campaign, and invited participation by the community. "I have no political axes to grind," he added. "My only wish is to act as the agent in gathering together Campbell people of like mind and to initiate an organization on the precinct level, with incorporation its goal."

An open public meeting, possibly next month, will be called by the steering committee, at which time it will lay before the voters the information it has obtained from other city councils and governments, and possibilities for low-cost self-government in Campbell.

Marsh, initiator of the movement, based his interest in incorporation on belief that "self-government is the only answer for people in a democracy. It is ridiculous to entrust our own unique community problems in Campbell to a general legislative body such as the County Board of Supervisors. I think incorporation is the answer."

He attended San Jose State College where he was student body president in 1937. He majored in political science at State, and, after graduation, took two years of post graduate work in the school of education at Stanford University. He began Army service during the war as a private in the infantry, transferring two years later, when a buck sergeant, to the air corps. He was in the air corps for three years, served 29 months overseas in the European theater with the 100th Bombardment Group of the Eighth Air Force. His decorations include seven battle citations, two presidential citations and the bronze star. Marsh was an air corps major when he returned to inactive duty in December 1945. He has been teaching ever since in the social science department of San Jose High School. He was chairman of the Mayor's Housing Committee in San Jose for two years after leaving the service.

A native of the San Joaquin Vally, Marsh, with his parents, moved to San Jose when he was six years old. He made his home there until two years ago when he and his family moved to Campbell. The Marsh children are Phil, 5; John, 3, and Margaret, 5 months.

The Campbell Press, in the interests of obtaining all possible facts and opinions on the matter of incorporation, invites its readers to send letters to the editor on this subject. Regardless of opinion expressed, the Campbell Press will publish these letters. No anonymous letters can, of course, be used.

Editorial

Like the father who showed his son a bladeless lawn mower and told him to mow the lawn, Campbell residents who work in San Jose and make their full community chest donations there have no justification for expecting the Campbell Community Service Fund to do a good job when they fail to give it an adequate tool with which to work.

We refer to the October 1 opening of the service fund drive here, and to the established and thoughtless habit of many parents who contribute funds for the benefit of other children while neglecting the welfare of their own offspring.

Even though the father works in San Jose, or some other community, his children go to school and participate in recreation programs in Campbell. Last year, Campbell volunteer solicitors met time and again the same excuse for failure to donate—"We've already given in San Jose." After all, these people who call on you have volunteered to help your children. You, in turning them away, have only served to deny your child that which you have given to another. Last year the drive fell far short of its goal, due largely to this failure to understand on the part of the parents.

A man is responsible for the welfare of his children. One main purpose of his working for a living is to keep his family in food and clothing. Why not consider your children first, this year. Give them a break. Support the Campbell Community Service Fund. It's your family's. Check this list and see for yourself. This is where the donations go: to the Boy Scouts, Girl Scouts, Campfire Girls, YMCA, Milk Fund (for pupils of Cambrian, Moorpark, Campbell Moreland and San Tomas schools), Library Fund, Scout Hall Association, and Visiting Nurse Association.

If pressure is brought to bear in the town where you are employed, and you find it necessary to donate, split the amount. Put part of it to work at home.

While on the subject of "Your Home Town," there is another thoughtless habit which always causes us to smile rather ironically whenever we see it in action. The local civic or school official, club or organization representative, demands the support of the local weekly newspaper in its drive for membership, funds, or what have you, then hands over a second-hand news release which he expects to be published in the most prominent front page position.

By second hand, we mean that the story has already gone to a nearby, but outside daily newspaper, the "big papers" as our amateur publicity hounds call them.

So here you have a local organization, seeking local support and quantities of local publicity. For why? The public relations chairman shows little farsight or insight when he neglects his best local news source in order to get the story in the daily paper first. He's not fooling anyone, and doesn't make much of an impression as a 'good head.'

It's an old story to any newspaperman. Experienced publicity chairmen will agree with us that the best publicity source is the hometown newspaper. The weekly publisher is here to publish local news, to build up the local town, to support local movements and organizations. The out-of-town daily paper boasts greater circulation. Surely, but think—that circulation is in the county, the state, the nation. What good does most of that reader coverage do for you and your group? Check the records and you'll find that the daily paper hasn't as large a local coverage as your weekly paper. Figures look good, but learn to break them down. Let's use our noggins, stop being impressed by size and cooperate with the local paper. They will cooperate with you. Your fresh news will get better play and more consideration in the hometown paper than it will in the daily where, like as not, it will be chopped, condensed or held out if something more interesting shows up.

Second hand local news rates last choice when the local paper is made up.

New Pupils Urged To Register Early

Campbell Grammar, Moorpark, and San Tomas Schools urge parents of kindergarten and new pupils to register their children at the school offices before the opening of school.

Children to enter the kindergarten must be 4 years., 6 mos. old on or before September 1, and children to enter the first grade must be 5 yr., 6 mos. old on or before September 1. This will avoid a good deal of confusion on the opening day of school and an early registration will help to assure your child a place in the kindergarten.

After four years of residence in Campbell during which time they have taken an active part in club and community affairs, **Mr. and Mrs. Joy Longfellow** and children, Susan, 12, and Burton, 10, moved yesterday to their new home in Sacramento. The new address is 3710 El Rincon, Sacramento. They will be just in time for two opening dates there. Mr. Longfellow opens his business next Monday in the state capital city, and the children's first day of school also arrives next Monday.

Mr. and Mrs. E. L. Barton observed their 28th wedding anniversary August 20 at Yankee Stadium, New York, where they watched the Yanks take another game from the Phillies. The Campbell couple has just completed a four-weeks' north-south cross country tour which was climaxed by an 800-mile trip from Williams, Arizona, to Campbell, the last section of their journey. Mrs. Barton said she never felt cool during the whole journey until she and her husband hit the top of Pacheco Pass on the return trip. They drove east via the northern route, through the northwest states to Kalamazoo, Michigan, where the Bartons stayed with their daughter, Mrs. Joseph Lebiecki. From there they went into Ontario and along Lake Erie to the Canadian Falls, then over to Niagara Falls, down to Providence, Rhode Island, to visit Mrs. Barton's brother, and up to Fall River, Massachusetts to visit other relatives. Over the bridge from Fall River they visited a niece in Somerset, a friend of Shirley May France, whose attempt to swim the English Channel failed this week.

Next came the anniversary at the Yankee Stadium and the Bartons began their return trip via the southern route, calling on friends in Georgia, playing golf on Lookout Mountain. They were accompanied by David Potter, son of the former pastor of Westside Nazarene Chapel at the Santa Clara County Hospital. David will be joined in Auburn by his parents who are to make their home on their ranch near Auburn.

Christie Anne Bachman, seven pounds, nine ounces, arrived Wednesday at Community Service Hospital, San Jose. She is the second daughter of **Mr. and Mrs. M. K. (Bud) Bachman of Campbell,** and the granddaughter of **Mr. and Mrs. J. H. Bachman,** Campbell, and Mrs. **Helen Streif** of Escondido. Christie Anne has a sister, Lauralee, two and one-half years of age. Her father is a native of Campbell, and her mother comes from Escondido.

Mrs. Harold E. Peck, member of the Campbell Garden Club, of which she is junior past president, is a patient at Community Service Hospital, San Jose. She is expected to return home this weekend.

* * *

Mrs. Ray Martin, Mrs. John Pollard and **Mrs. Frank Coombs,** have left on a motor trip eastward which will take the two latter Campbellites as far as the New England Coast on a six-weeks' holiday. Mrs. Martin accompanied her friends as far as Omaha, Nebraska, where she left to go on to Brooklyn, Iowa, near Grinnell, to visit her mother. Mrs. Martin will return about mid-September.

BIG KICKOFF DINNER SEPTEMBER 30 TO LAUNCH $7800 SERVICE FUND DRIVE

Campbell's Community Service Fund drive will be launched the evening of September 30 at a big kickoff dinner for committee members and workers in the high school cafeteria, Mrs. J. W. Knowles, drive chairman, announced following the committee meeting Tuesday night.

Each of the benefiting organizations in the drive, which will start officially on October and last one week, will present a brief skit after the dinner. Kenneth Robison is chairman of the evening show. The public is invited to attend the show. Dinner reservations are open to workers and committee members only. Show tickets must be obtained through the fund drive workers.

An attendance of 150 Service Fund workers is anticipated for the 6:30 p.m. dinner. Each is reminded that he must pay for his own meal which is expected to cost 50 or 60 cents.

Prior to the official drive opening, Mrs. Knowles said A Committee will attempt to call on all Campbell area merchants September 30 for their contributions to the $7800 quota for the 1949 campaign.

For the purpose of the drive, the committee has divided the Campbell High School district into the grammar school districts, but Mrs. Knowles emphasized that there will be no assignment of individual quotas to these various districts. "We will all work for one goal, and youth of all the various districts will benefit from the proceeds of the drive," she explained. District chairmen named Tuesday night were: Mrs. Clarence Barry, Moreland School district; William Shuey, San Tomas School district; Mr. and Mrs. Earl Dwyer, Moorpark School distrfct; Mr. and Mrs. Mrs. C. P. Klassen, Campbell School district, and Mrs. G. M. Youngman, Cambrian School district.

Chairmen will assign sections of their districts to workers from the various benefitting and service organizations.

Agencies which will receive portions of the $7800 fund sought are: Girl Scouts, Boy Scouts, Campfire Girls, YMCA, Milk Fund, Library Fund, Scout Hall Association and Visiting Nurse Association.

Mrs. Knowles issued an appeal to Campbell residents who work in San Jose to give at least part of their contribution to the local drive. "The Community Service Fund is entirely a youth service fund," she explained, "and even though many Campbell residents work in San Jose, their children live, go to school, use the library, join the scouts and play here. It is only right that Campbell people should donate to the fund which benefits their own children."

Officers of the committee are Laurance J. Hill, president; Mrs. Youngman, vice-president, and Mrs. Marion Parker, secretary-treasurer.

New Driver Training Car Delivered To Campbell High School For Course

Behind-the-wheel driver training for students at Campbell Union High School will be continued during the coming school year with a new Chevrolet sedan which was delivered today to Principal Laurance J. Hill by Abe Parker, president of the Garden City Chevrolet Company, San Jose.

The new driver training car is equipped with dual brake and clutch controls, installed by the Chevrolet agency before delivery of the car. Arrangements for the loan of a new driver training car were handled through Melville B. Duffey, district manager for the California State Automobile Association, which is leading the movement for establishment of behind-the-wheel driver training courses for high school students.

M. F. Hughes, member of the high school faculty, is in charge of driver education and training at the school. Last year, under Mr. Hughes' direction, 298 students were instructed in both the principles and practices of safe driving, and this year an enrollment of 325 students is expected.

Driver education, the classroom phase of the course, covering the principals of highway safety, motor vehicle law and other elements of safe driving, was made a compulsory course for high school students by the Legislature early in the 1949 session, and the bill was immediately signed by Governor Earl Warren.

Behind-the-wheel driver training remains optional with high schools. Many schools, however, are taking advantage of the dealer cooperation plan, developed by the American Automobile Association, in which cars are loaned to high schools for driver training through local dealers. Under this nationwide program, all arrangements for the loan of dual control cars to high schools are handled through the AAA and its affiliated clubs.

So widespread has the movement become that last year, 340,000 high school students in the nation were given behind-the-wheel driver training, in 6000 of the nation's high schools.

The new Chevrolet replaces a Pontiac sedan which was loaned to Campbell High School for its driver training course last year by the Pontiac zone office. Replacement of the car for the coming school year is in accordance with the terms under which these cars are loaned to high schools for a school year, or until the car has run 8000 miles.

Admission Day Address Heard By Local Kiwanis

Attorney Martin S. Walsh of Campbell gave the Admission Day address before the Campbell Kiwanis Club Tuesday noon in the Country Woman's Clubhouse. Kiwanis president Lowell Benson, chairman of the day, introduced the well-known local attorney.

February 13, 1850 was the day when a resolution was presented to the Congress of the United States containing credentials for admittance of California to the Union, thereby making it the thirty-first state of the United States, Walsh told his fellow Californians.

He reviewed many of the pertinent events in the past history of the state, touching on various outstanding facts of the state's early days. He told of gradual unification of the various forces and factions which came together to form the state. These included the Bear Flag Revolt, the Mexican ownership of this region, constant surveillance by other foreign countries seeking opportunities to interfere and bring the new territory under their own flags.

BPW Dessert Meeting Set

A dessert and business meeting will be held Wednesday night at the Campbell Congregational Church by the Business and Professional Woman's Club. Mrs. Gwendolyn Steindorf, president, will conduct the meeting during which it is expected that Mrs. Mary Grey will report on successful completion of the softball field lighting project. Members will gather at 7:30 p.m.

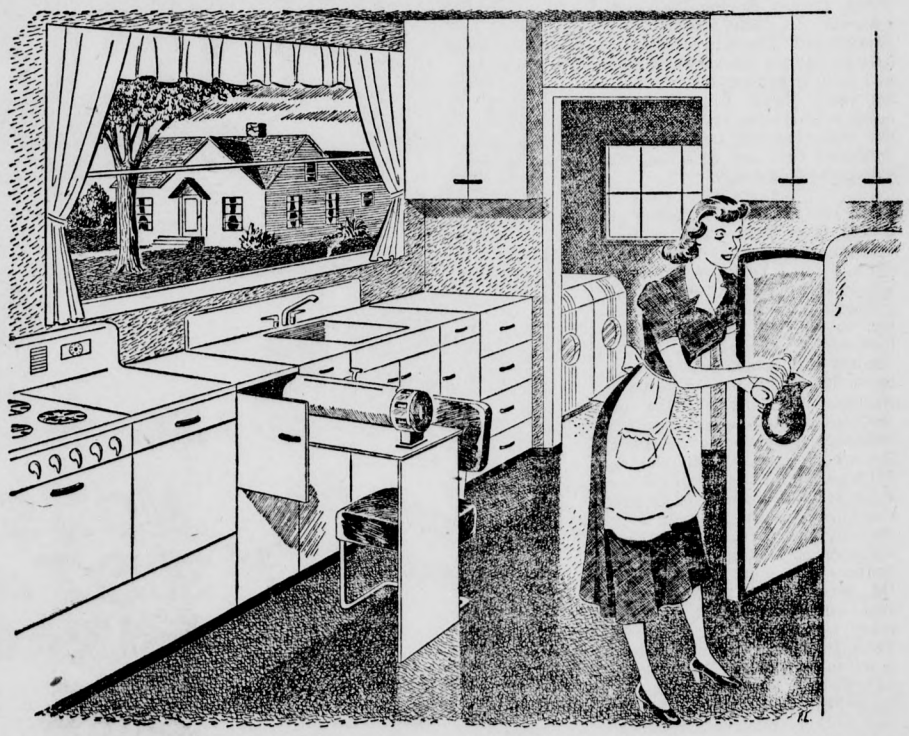
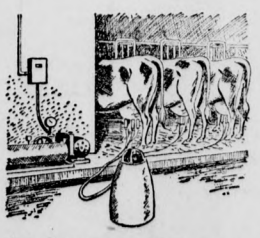
The best bargain in your household budget



Meat costs much more than before the war . . . but not the gas or electricity to cook it. Refrigerators cost much more, too...but not the gas or electricity to run them. What's more, in the P. G. and E. service area, you get the biggest utility bargain in the United States.

For example, Bay Area people pay less for the same amount of gas and electricity than do those in any of the country's 25 largest cities. And P. G. and E. farm power rates are much lower than the national average for all utilities—including tax-free cooperatives and government-owned systems.

Heating and lighting your home at lower cost means that more is left in your budget for food, clothing, recreation and other every-day essentials for happy, healthy living.



More income for farmers is possible because low rates enable them to use work-saving electric appliances and equipment. Electric pumping means better yields, more diversified crops.

For the record
A real buy—of your average dollar you spend approximately
44¢ on food and clothes . . .
some 19¢ for rent and furnishings
. . . 36¢ for miscellaneous . . . but only 8/10 of a penny for the electricity to run your whole house.

San Tomas School To Serve Hot Lunch; New Buildings Are Nearing Completion

New buildings of San Tomas School are nearing completion for the opening of the school year, September 19, including the office unit and kindergarten rooms, which will be ready for occupancy this week. The necessary grading and filling of the grounds around the buildings is being completed as rapidly as possible.

In preparation for the opening of school, there will be a meeting of the teachers on Tuesday, September 13, in order to make plans for the coming year. Six new teachers who will be welcomed on the staff this year are Charlotte Wood, kindergarten; Loyce Swengel, first grade; Jacqueline Parton, second grade; Patricia Freeman, fifth grade; Eda Belle Little, fifth and sixth grade; and Ray Wilson, sixth grade. Elmer Velander is a new custodian.

The school office will be open every day from 9 a.m. to noon, and from 1 to 5 p.m., to accept registration of new pupils.

Starting Monday, September 19, a complete hot lunch will be served to the children, at a price of 25 cents per meal. This food will be brought out from the Campbell school in hot containers, and will be served in the school rooms under the direction of Mrs. Florence Fuller, Campbell District Cafeteria Supervisor. This new program is made possible by the offer of a number of the mothers to help out with the supervision of the school rooms while the children are eating.

LETTERS TO THE EDITOR

Opinions expressed in letters to this department do not necessarily reflect the editorial policy of the Campbell Press.—Ed.

Mr. E. W. Barnes,
The Campbell Press
Campbell, California
Dear Mr. Barnes:

I wish to express the appreciation and gratitude of this command for the assistance we received from you in furthering the success of our recent Carnival at the Naval Air Station, Moffett Field.

This undertaking was most successful and resulted in a substantial sum being made available to charity by this station. The success of this carnival would not have been at all possible without the wholehearted cooperation which you exhibited.

It gives me pleasure to address this letter to express my thanks and those of my command for your fine support.

Very truly yours,

Cupertino Grange Plans Anniversary Fete This Week

Men's Night was observed recently by the Cupertino Grange, with the men entertaining during the lecturer's hour. Marvin Blair was the chairman and Paul Bean acted as master of ceremonies.

The next meeting will be the first anniversary party of the Grange to be held tonight, September 9, at the Cupertino Hall. Other granges are cordially invited.

The recent program was mostly comedy, but was started off by a talk on the history of Santa Clara County by George W. Ames Jr. Then came a reading by Ed Jauch on how it feels to be a new father. Master Dwight Sheffer gave a few good definitions of words while the world-famous or-chestra, composed of Director Col. Ames, Paul Bean George Loyst, Karl Fredericks, John Breeding, Howard Paige and Fred Wood, was preparing for its act. Then Fred Wood rendered his own interpretation of "Where The River Shannon Flows," accompanied by himself on the ukelele.

Directed by Col. George W. Ames, the orchestra started off with their own interpretation of "Hail, Hail, The Gang's All Here," followed by several other songs of the past and ending with a duet, which was a song and dance by Col. Ames and Bro. Bean. While the next number was being prepared, the master of ceremonies held the audience spellbound with his witticisms. Then Col. Ames and George Ames Jr. put on a skit which received hearty applause. All were in costume for the occasion.

Master Dwight Sheffer presided at the business session during which several visitors were introduced. They were Mr. and Mrs. John C. Gordon of Orchard City, Mary Lanz and Theresa Brown of Mountain View, Effa Morris, Myrtle Stacey, Irene Goodnow, Edith McCowan, Alice McGinn and Frieda Davies of East Palo Alto and A. F. Leal of Mt. Hamilton Grange.

Col. Ames reported on the proposed traffic signal system at the Cupertino intersection, and read a letter from the California Physicians Service. Ernest Angelo was welcomed back after his illness, and reported on the sales slip contest. F. L. Wood reported on the work of the Fair Committee and announced a meeting for Tuesday, August 30, at the home of D. F. Sheffer. Mrs. Davies of E. Palo Alto reported on prizes won by her grange at the San Mateo County Fair. George Ames Jr. reported on the Cupertino Youth Center and invited all present to the open house Sunday August 28. Bro. Gordon gave a very interesting talk on the Michigan State Prison, which he visited recently.

After the program, all enjoyed refreshments which were served by the committee which included Lester Breeding, Fred Grevstad, John Breeding, Karl Fredericks and Earl Sorensen.

James M. Lane In Yokohama With Occupation Forces

PFC James M. Lane, son of Earl M. Lane, 41-A N. First Street Campbell, is now serving as a longshoreman with the 243rd Transportation Port Company.

Stationed in Yokohama, Japan's major port city and seat of the headheadquarters of the Eighth Army, Private Lane is filling an essential job with the Army's occupation forces there. His company supervises the loading and unloading of transports.

He fromerly served in Pusan, Korea, and arrived in Japan December 1948.

Campbell Riders Join In Trek To Felton

Two Campbell area residents participated in an 18-mile overnight ride by the Los Gatos Gymkhana to Felton. The 35 members left from Los Gatos August 13, rode through Montezuma, over the ridge and through Zayante Canyon to Felton. They lunched at the Standard Oil grove on the summit, where their truck met them with food supplies. Barbecue supper, again brought in on their supply truck, was served at the Big Tree stables in Felton.

The group slept out under the trees, then participated Sunday in a parade prior to the Inter-Club Horse Show. Participants included riding groups from Watsonville, Santa Cruz, San Lorenzo Valley, Hollister and Los Gatos. Several members stayed over until the next day and rode back to Los Gatos.

Those from Campbell were Janet Coombs, Budd Levenberg and Mrs. Angelo Bellicitti. The latter met the group in Felton where she had entered horses from the Bellicitti stables in the show.

Western Gravel Strong In Local, Regional Play

Western Gravel softball team opened their schedule in the ASA State Regional Tournament Saturday night by beating the Turlock All-Stars 3-1, at San Mateo.

Monday afternoon, the Gravel team played again in San Mateo, this time against the Benicia Arsenal Bombers, with the Gravel boys taking 4-1 top honors.

Next on the regional slate for the locals was its meeting last night with the unbeaten East Oakland Merchants, with a record of no scoring against them in 25 tournament innings. The Gravel men took the game at 1-0.

Meanwhile, Western Gravel returned to Graham League local play at Backesto Park Tuesday night, taking its opener in the championship series, 7-1, against Mac's Market. Pitcher Bud Bosque again did the honors by collecting 10 strikeouts and allowing five hits. Team members toted up 13 hits highlighted by home runs of Pete Rinaldi, Joe Stasi and Chesty Miller.

The total United States meat production per capita in 1948 was 145 pounds.

Hypnotist Show At Local Theater September 17

A show for the whole family is the "Mysteries of the Mind," to be seen at the Campbell Theater, Saturday midnite, September 17.

People of varied backgrounds have found these tests of mind-reading and hypnotism of great interest, and all have been bewildered by the amazing potentialities that these sciences offer.

"The ability to read minds is a power already within our scope," says Richard Charles, who will present his mentalism and hypnotism show here.

Everyone who attends the show which starts at midnight, will be given the opportunity to participate in the demonstration if they so desire.

Richard Charles is anxious to show beyond a shadow of a doubt that his show is a presentation of genuine phenomena.

Have You Registered? September 15 Is Deadline For Special Election

Two special registrar offices in Campbell have been established to facilitate registration of voters by the September 15 deadline for the November 8 special election, County Registrar Eber Tarleton announced this week.

Voters may register in this area at either Clark's Drugs, 299 E. Campbell Avenue, or G. E. Farley Real Estate Office, 251 E. Campbell Avenue.

All voters who have received notices of cancellation of their registration due to failure to vote in elections last year must re-register as well as those voters who have changed their address since the last registration.

Others who should register due to achievement of eligibility are new residents who have lived in the state for a period of one year, and in the county for 90 days, and those who will become 21 years of age on or before the special election date.

Matters to be considered by the voters include: Proposition One, for issuance and sale of $250,000,000 of state bonds to provide loans and grants to the school districts of the state, and declares state policy regarding public school sites and buildings; Proposition Two—reinstates the plan of old age security and aid to blind, and methods of administration thereof, in existence prior to adoption of Proposition 4 at the last general election, with the exception that maximum aid payments are retained at present levels for aged and blind, with participation by the state and the counties.

Proposition Three — limits the length of general and budget sessions of legislature, sets salaries of legislators at $300 per month, permits legislators per diem expenses; Proposition Four—eliminates inoperative state constitutional provisions relating to consolidated city and county charters; Proposition Five—repeals section 19 of Article 20 of state constitutional convention of 1878-79; Proposition Six, repeals section of constitution relating to effective date of statutes enacted at 1933 regular session of legislature; Proposition Seven—deletes inoperative tax provisions relative to former method of taxing insurance companies, and to effective dates of former changes in state tax system, tax exemption of San Francisco Bay Exposition, and tax reassessment following 1933 earthquake. Provides that repeals and deletions of existing provisions shall not affect previously assessed taxes.

Buc's Cove Season Furnished Play For 110 Members

Campbell High School's night recreation program, with a membership of 110, completed its summer program last week. Activities included swimming, dancing, basketball, and recreational games. Some 70 boys participated in the basketball games supervised by Coach Bill Perry, while 120 students took advantage of the Tuesday night swimming at Woodrow Wilson pool.

Highlights of the summer program were a hobo dance, a play presented by the Patchwork Players of Los Gatos, and a barbecue and swim at Alum Rock Park.

According to Miss Muriel Carson, program director, local merchants and organizations were responsible for service rendered the group. The Women's Service Club of Campbell donated records, Saint Lucy's Guild furnished chaperones and donated records, and members of the local PTA served as chaperones on numerous occasions. Jean Currie and Patty Saunders, graduates, operated the soda bar for the group.

Officers for the Buc's Cove summer activities were Bob Beth, president; Hugh Bonds, vice-president; Orme Shockley, secretary; Mardel Sanders, treasurer; and Linda Gilbert, Lois Blair, Jean Richardson, Joan Velander, Rosemarie Magna, co, Harold Taylor, Bill Cockey, Pat Taylor, and Edith Pankoski, council members.

One case of tuberculosis was reported in Campbell for the week ending September 3, by the Santa Clara County Health Department. Distribution of other tuberculosis cases in the county was as follows: Santa Clara, one; Saratoga, one; and Gilroy rural, one.

Moorpark Hallowe'en Carnival Plans Discussed By PTA and Men's Club

Plans are now underway for a Moorpark Hallowe'en Carnival to be held October 28 at Moorpark School. Leaders of the Moorpark Parent-Teacher Association and Men's Club met August 23 at the home of Mrs. Eugen Andres Jr., 1117 Empey Way, to discuss the new project.

Merchants, community organizations and youth groups of this area are all invited to participate in this big holiday carnival. The event will commence at 3 o'clock in the afternoon and continue into the evening, featuring gala entertainment and special booths by local groups. A Hallowe'en costume parade is scheduled, with prizes for the best costume. Organizations already slated to participate are the PTA, the Men's Club, the Brownies and Cubs, and the Children's Service Guild of the County Hospital to assist in recreation plans for children.

Co-chairmen for the carnival are Mrs. H. E. Womer and Jerry Ginney, with the cooperation of a coordinating committee of Mrs. Eugen Andres Jr., PTA president, and E. B. Mortenson, Men's Club president.

Other committee heads thus far include: tickets, Mrs. Duane Moore and John Duncan; games, Larry Reeder; food, Luther Burbank; entertainment, Mrs. E. B. Mortenson; publicity, Mrs. W. H. Walker and Wade Brummal; posters, Mrs. Leonard Meritt; prizes, Mrs. Harold Tapogna and Mrs. Jack Turner; parent contact, Mrs. M. E. Graham and Stewart Ralston; booth construction, Leonard Merritt, Bill Herrgott and Al Mitchell.

Shopping Center Development Seen For Union Corner

Development of an integrated larger shopping center at San Jose-Los Gatos Road and Union Avenues is the aim of G. K. Schrader and C. S. Hocking who have petitioned for rezoning of an area of approximately the same size as the present commercial area which it would adjoin. First hearing on the petition was held September 7 by the County Planning Commission. Second hearing will be October 5, beginning at 2 p.m. p.m.

Schrader and Hocking own the present two stores plus 120 acres of prune orchard at the corners. The former said they are trying to develop the area to meet demands for expansion. A larger grocery store is planned, as well as other stores which would be housed in the present market building to be remodeled. Other proposed features will be off-street parking facilities and a porch running across the fronts of the stores to join them and also to provide cover in rainy weather for customers of the shopping center.

Hocking operates the prune orchard, while Schrader is with the dehydrator department of the California Prune and Apricot Growers Association.

Hobby Exhibit At County Fair

Mrs. Winifred Tonkin, owner and operator of Winifred's Craft Shop at Cambrian Corners, will be an exhibitor in the non-commercial booth, Hobbies for Spare Time and Leisure, at the Santa Clara County Fair, September 12 to 18. The booth will be in the women's division tent.

During the afternoon and evening, Mrs. Tonkin will demonstrate Dresden craft work and weaving, with the assistance of Mrs. Bonnie Pinkston. Other hobby ideas will be demonstrated in the booth which will include a number of other exhibits beside that of Winifred's. Mrs. Tonkin will be at the booth each evening. Mrs. Pinkston will do the afternoon demonstrations.

Montalvo Friends Memberships At What Not Shop

Memberships in the recently formed Friends of Montalvo are still available at the What Not Shop. Mr. Ray Fish said memberships are $1 each, and 1000 members are needed to raise funds for hiring legal aid to save Montalvo in Saratoga.

Montalvo, the estate of the late Senator James Phelan at Saratoga, is an art center operated by the San Francisco Art Association, as trustees. Although members of the Phelan family reportedly seek return of the estate to their own use, the senator's will provided that it be used as a center for the furthering of art and similar culture. Family members assertedly claim that the Art Association has not lived up to the terms of the will.

Friends of Montalvo seek to retain the site as an art and music center, and are raising funds for development of Montalvo and for legal aid to retain the famed estate. Mrs. Robert C. Kirkwood, wife of the California legislator, is treasurer of the group.
